

# Occupational Medicine Services

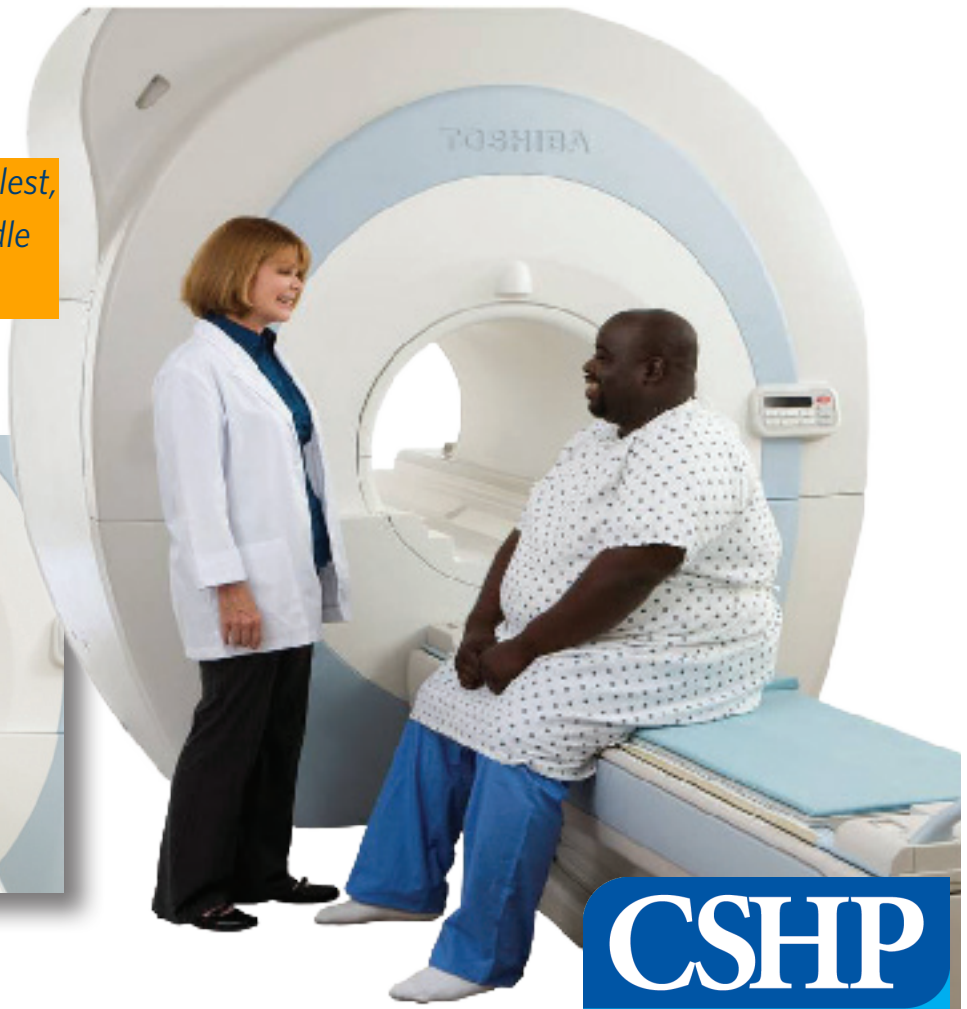

## Radiology

Colorado Springs Health Partners' radiology department is open to the public. You do NOT have to be a CSHP patient to access their services. The radiology department is conveniently located on the same floor as our Urgent Care Clinic, which allows for quick turn-around for radiology procedures requested at your Urgent Care or Occupational Medicine visit. They also offer extended hours to accommodate Urgent Care needs. To schedule an appointment, call 667-4139.
